 - fully respect confidentiality requirements in dealing with child protection matters.

The school will also adhere to the above principles in relation to any adult pupil with a special vulnerability.

5. The following school policies, practices and activities are particularly relevant to child protection: Positive Behaviour and Anti-Bullying Policy, Pupil Attendance Strategy, Supervision of Pupils, Sporting Activities and School Outings, Gard Netting, Working Alone with a Child, Transport of Children, Traffic Management, Fire Drill Procedures, SPHE, Stay Safe.

The Board has ensured that the necessary policies, protocols or practices as appropriate are in place in respect of each of the above listed items.

6. This policy has been made available to school personnel and the Parents' Association (if any) and is readily accessible to parents on request. A copy of this policy will be made available to the Department and the patron if requested.

7. This policy will be reviewed by the Board of Management once in every school year.
